## Dear Parents & Guardians

Congratulations to the students and staff for participating in Pirate Day this year. Our school raised \$36 to go towards Childhood Brain Cancer research. Keep an eye out in future newsletters for some of the students writing about Pirate Day.

Swimming lessons are progressing well with all students becoming more confident in the water and showing their improved skills in survival techniques and stroke development. Thank you to the parents for your assistance in taking the students to the lessons.

We will be having an assembly on Monday 18<sup>th</sup> June at 2.30pm, everyone is welcome to attend.

Athletics carnival is fast approaching. The students have been practicing some skills for the carnival. The athletics carnival will be held at Alroy Oval in Singleton Heights on **Wed 20<sup>th</sup> June, from 9am-approximately 2.30pm**. The students will need to be transported to and from the oval by parents. It is always nice to have parent support on the day if you are able to attend. There will be a canteen operating on the day. The students will need to be in sports uniform with appropriate footwear to participate in all activities. They will need jumpers and possibly tracksuit pants throughout the day as it can be windy and cold on the oval. We will have the school marquee to have as our base station, if any parents can assist with transporting the marquee to and from the oval that would be great. Mrs Cook, Mrs Forbes and Miss Kime will be in attendance on the day but will all be based on jobs. Each student will be assigned a teacher for supervision throughout the day and it is their responsibility to stay with that teacher for all activities.

Don't forget to get your pie orders in before next Monday!

Regards

Kristen Kime Principal

### Milbrodale family fun day PLANNING MEETING

Thank you to those of you who came to our first planning meeting for this year's Milbrodale Family Fun Day (to be held 16th September).

**Our next planning meeting is scheduled for Tuesday 3rd July from 9am in the school staff room. Morning tea will be provided.**

We appreciate not everyone can attend meetings during work hours and promise there will be plenty of other ways you can assist as we approach the event.

For example, we are seeking donations of soft drink to sell at the sausage sizzle stall (keep an eye out for half price cartons during your grocery shop). Donated soft drink can be dropped at the Canteen on any Monday.

### PIZZA NIGHT

A reminder that our next pizza night is Friday 29th June.

Funds raised will go towards fees for the Sydney excursion the year 3-6 students are attending in September.

### Next meeting

We have our next P & C meeting Monday 25th June at 3.15pm in the staff-room. All welcome.

SunSmart Snippet

## The simplest way

...to be a SunSmart pro!

Test yourself with these SunSmart questions!

- 1: When do I need to use sun protection?
2. How can I be sun safe?
3. How can babies stay safe?

### Answers

1. We need to use sun protection whenever the UV is three or above. In most of NSW, this is 11-12 months of the year. Check the SunSmart App every day to be sure.
2. It's simple, just *Slip, Slop, Slap, Seek and Slide!*
3. Children under 12 months should be kept out of direct sunlight. Sunscreen is not recommended for children under 6 months. Remember to carry out a sunscreen usage test.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to [www.sunsmartnsw.com.au](http://www.sunsmartnsw.com.au)
